

MR. ANDREW POSTON DEAD.

Town of Poston on Seaboard Named for Him.

Florence, October 20:—News was received in the city today of the death at Poston, S. C., this county, of Mr. Andrew Poston, an aged and widely known citizen, farmer and Confederate veteran.

Mr. Poston was 88 years old and was a man of most remarkable activity. He had a remarkable memory and was never more pleased than when telling his friends of historical incidents. Mr. Poston was a well-to-do citizen, and was the father of Poston, the new railroad junction point on the Seaboard Air Line between Florence and Charleston. It was he who gave the land to the railroad in order that Poston might be Poston.

Mr. Poston leaves a wife and several children a wide family connection, among whom are many of Florence and Williamsburg counties' best people.

The funeral services were held at Trinity Methodist church, near Kingstree, today and was attended by a great outpouring of sorrowing relatives and friends. The grave was covered with many beautiful flowers.

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Catron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good. I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without tiring me, and am doing my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in 30 years of wonderful success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

The Augur Fish.

The augur fish, half fish, half crab, is the terror of all vessels but ironclads that use the south seas. This creature, which is not bigger than an almond, has a proboscis like an enlarged goat sting that can bore through even sheet iron. Augur fish frequent many of the lagoons of the coral islands and burrow holes for themselves in the coral, but they have a perverse habit of doing the same thing to ships lying at anchor, and the damage generally shows itself when next the vessel is at sea in bad weather, with disastrous results.

Despondency.

When you feel discouraged and despondent do not give up but take a dose of Chamberlain's Tablets and you are almost certain to feel all right within a day or two. Despondency is very often due to indigestion and biliousness, for which these tablets are very valuable. Obtainable everywhere.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical profession. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers for any case that it falls to cure. Send for list of testimonials.
